Annuitant means a former employee entitled to an annuity under a retirement system established for employees. This includes the retirement system of a nonappropriated fund instrumentality of the Department of Defense or the Coast Guard.

Assign and *assignment* refer to an individual's irrevocable transfer to another individual, corporation, or trustee all ownership of FEGLI coverage (except Option C).

Assignee means the individual, corporation, or trustee to which an individual irrevocably transfers ownership of FEGLI coverage (except Option C).

Child, as used in the definition of *Family member* for Option C coverage, means a legitimate child, an adopted child, a stepchild or foster child who lives with the employee or former employee in a regular parent-child relationship, or a recognized natural child. It does not include a stillborn child or a grandchild (unless the grandchild meets all the requirements of a foster child). The child must be under age 22 or, if age 22 or over, must be incapable of self-support because of a mental or physical disability which existed before the child reached age 22.

Child, as used in the *order of precedence for payment of benefits*, means a legitimate child, an adopted child, or a recognized natural child, of any age. It does not include a stepchild, a stillborn child, a grandchild, or a foster child. An individual who has reached age 18 is considered an adult and can receive a benefit payment in his/her name. However, if the age of adulthood where the individual has his/her legal residence is set at a lower age, the individual is considered an adult upon reaching that lower age. Adopted children do not inherit from their birth parents under the order of precedence stated in 5 U.S.C. 8705, other than as designated beneficiaries, but inherit from their adoptive parents. However, a child who is adopted by the spouse of a birth parent inherits from that birth parent.

Compensation means compensation under subchapter I of chapter 81 of title 5, United States Code, which is payable because of an on-the-job injury or disease.

Compensation means an employee or former employee who is entitled to compensation and whom the Department of Labor determines is unable to return to duty.

Dependent means living with or receiving regular and substantial support from the insured individual.

Where the law of the insured's legal residence provides for the administration of estates through alternative procedures which do away with the need for a court order, this term also means an individual who

shows that he/she is entitled to receive, or possess, the insured's property under the terms of those alternative procedures.

Employee means an individual defined by section 8701(a) of title 5, United States Code.

OWCP means the Office of Workers' Compensation Programs, U.S. Department of Labor, which administers subchapter I of chapter 81 of title 5, United States Code.

Parent means the mother or father of a legitimate child or an adopted child. The term *parent* includes the mother of a recognized natural child; it also includes the father of a recognized natural child if the recognized natural child meets the definition provided below.

Portability Office means the office OPM designates to manage ported coverage and to collect premiums for ported coverage.

Ported coverage means continued coverage that would otherwise have terminated.

Recognized natural child, with respect to paternity, is one for whom the father meets one of the following:

- (1) (i) Has acknowledged paternity in writing;
- (ii) Was ordered by a court to provide support;
- (iii) Before his death, was pronounced by a court to be the father;
- (iv) Was established as the father by a certified copy of the public record of birth or church record of baptism, if the insured was the informant and named himself as the father of the child; or
- (v) Established paternity on public records, such as records of schools or social welfare agencies, which show that with his knowledge the insured was named as the father of the child.

(2) If paternity is not established by paragraph (1) of this definition, such evidence as the child's eligibility as a recognized natural child under other State or Federal programs or proof that the insured included the child as a dependent child on his income tax returns may be considered when attempting to establish paternity.

This includes service under a nonappropriated fund instrumentality of the Department of Defense or the Coast Guard for an individual who elected to remain under a retirement system established for employees described in section 2105(c) of title 5.

Terminally ill means having a medical prognosis of a life expectancy of 9 months or less.

Underdeduction means a failure to withhold the required amount of life insurance deductions from an individual's pay, annuity, or compensation. This includes nondeductions (when none of the required amount was withheld) and partial deductions (when only part of the required amount was withheld).

(b) An employing office's decision is an initial decision when the employing office gives it in writing and informs the individual of the right to an independent level of review (reconsideration) by the appropriate agency or retirement system.

(c) A request for reconsideration must be made in writing and must include the employee's (or annuitant's) name, address, date of birth, Social Security number, reason(s) for the request, and, if applicable, retirement claim number.

(d) A request for reconsideration must be made within 30 calendar days from the date of the initial decision. (e) The reconsideration must take place at or above the level at which the initial decision was made.

(b) The post-election BIA cannot change after the effective date of the Living Benefit election.

§ 870.303 Eligibility of foster children under Option C.

(a) Effective October 30, 1998, foster children are eligible for coverage as family members under Option C.

(b) To qualify for coverage as a foster child, the child must meet the following requirements:

(1) The child must live with the insured employee, annuitant, or compensationner;

(2) The parent-child relationship (as defined in § 870.101) must be with the insured employee, annuitant, or compensationner, not the biological parent;

(3) The employee, annuitant, or compensationner must be the primary source of financial support for the child; and

(4) The employee, annuitant, or compensationner must expect to raise the child to adulthood.

(c) A child placed in an insured individual's home by a welfare or social service agency under an agreement by which the agency retains control of the child or pays for maintenance does not qualify as a foster child.

(d)(1) An insured individual wishing to cover a foster child must sign a certification stating that the child meets all the requirements and that he/she will notify the employing office or retirement system if the child marries, moves out of the home, or stops being financially dependent on the employee, annuitant, or compensationner.

(e) A foster child who moves out of the insured individual's home to live with a biological parent loses eligibility and cannot again be covered as a foster child unless:

(1) The biological parent dies;

(4) The employee, annuitant, or compensationner obtains a court order taking parental responsibility away from the biological parent.

Subpart D—Cost of Insurance

§ 870.401 Withholdings and contributions for Basic insurance.

(a)(1) The cost of Basic insurance is shared between the insured individual and the Government. The employee pays two-thirds of the cost, and the Government pays one-third.

(2) When OPM makes any adjustment to the Basic life insurance premium, it will issue a public notice in the FEDERAL REGISTER.

(b)(1) During each pay period in which an insured employee is in pay status for any part of the period, the employee's share of the premium must be withheld from the employee's biweekly pay. The amount withheld from the pay of an employee who is paid on other than a biweekly basis must be computed and adjusted to the nearest one-tenth of one cent.

(2) The amount withheld from the pay of an insured employee whose annual pay is paid during a period shorter than 52 work weeks is the amount obtained by converting the biweekly rate to an annual rate and prorating the annual rate over the number of installments of pay regularly paid during the year.

(3) The amount withheld from the pay of an insured employee whose BIA changes during a pay period is based on the BIA in force at the end of the pay period.

(c) For each pay period in which an employee is insured, the employing agency must contribute an amount equal to one-half the amount withheld from the employee's pay. This agency contribution must come from the appropriation or fund that is used for the payment of the employee's pay. For an elected official, the contribution must come from the appropriation or fund that is available for payment of other salaries in the same office.

§ 870.402

5 CFR Ch. I (1–1–07 Edition)

(d)(1) For an annuitant or compensationner who elects to continue Basic insurance and chooses the maximum reduction of 75 percent after age 65 under § 870.702(a)(2), the annuitant's share of the premium is withheld monthly and the compensationner's share is withheld every 4 weeks. These withholdings stop the month after the month in which the annuitant or compensationner reaches age 65. There are no withholdings from individuals who retired or began receiving compensation before January 1, 1990, and who elected the 75 percent reduction. For the purpose of this paragraph, an individual who separates from service after meeting the requirements for an immediate annuity under 5 U.S.C. 8412(g) is considered to retire on the day before the annuity begins.

(2) An annuitant or compensationner who elects to continue Basic insurance and chooses either the reduction election of 50 percent or the election of no reduction after age 65 under § 870.702(a)(3) or (4) pays an additional premium for the 50 percent or no reduction election. This additional premium is withheld for each \$1,000 of the BIA. At age 65, the Basic premium will stop, but the annuitant or compensationner must continue to pay the additional premium for either the 50 percent or the no reduction election.

(e)(1) For each period in which an annuitant or compensationner is insured, OPM must contribute an amount equal to one-half the amount that would be withheld under paragraph (d)(1) of this section. Exception: for USPS employees who become annuitants or compensationners after December 31, 1989, the Postal Service pays the Government contributions.

(2) The Government contribution is the same amount whether the individual elects a maximum 75 percent reduction, a maximum 50 percent reduction, or no reduction.

(3) The Government contribution stops the month after the month in which the individual reaches age 65.

(f) When an agency withholds less than or none of the proper amount of Basic life insurance deductions from an individual's pay, annuity, or compensation, the agency must submit an amount equal to the sum of the uncol-

lected deduction and any applicable agency contributions required under 5 U.S.C. 8708 to OPM for deposit in the Employees' Life Insurance Fund.

[62 FR 48731, Sept. 17, 1997, as amended at 64 FR 22544, Apr. 27, 1999; 68 FR 59081, Oct. 14, 2003]

§ 870.402 Withholdings for Optional insurance.

(a)(1) The insured individual pays the full cost of all Optional insurance. There is no Government contribution toward the cost of any Optional insurance.

(2) Optional insurance premiums are based on 5-year age bands beginning at age 35. The last age band for Option A is age 60+. The last age band for Options B and C is 80+. For the purpose of this subpart, effective April 24, 1999, an individual is considered to reach the next age band the 1st day of the pay period following the pay period in which his/her birthday occurs.

(3) When OPM makes any adjustment to the Optional life insurance premiums, it will issue a public notice in the FEDERAL REGISTER.

(b) During each pay period in any part of which an insured employee is in pay status, the employing agency must withhold the full cost of Optional insurance from his/her pay.

(c)(1) Subject to the provisions for re-employed annuitants in § 870.707, the full cost of Optional insurance must be withheld from the annuity of an annuitant the compensation of a compensationner.

(2) The withholdings for Option A stop the month after the month in which an annuitant or compensationner reaches age 65.

(3) For an annuitant or compensationner who elects Full Reduction for any Option B or Option C multiples under § 870.705, the withholdings for those multiples stop the month after the month in which he/she reaches age 65.

(4) For an annuitant or compensationner who elects No Reduction for any Option B or Option C multiples, the withholdings for those multiples continue, as long as he/she remains insured.

(d)(1) For Option A and Option C, the amount withheld from pay, annuity, or

compensation paid on other than a bi-weekly basis must be computed and adjusted to the nearest cent.

(2) For Option B, the amount withheld from pay, annuity, or compensation paid on other than a biweekly basis must be computed and adjusted to the nearest one-tenth of 1 cent.

(e) If an employee's annual pay is paid during a period shorter than 52 work weeks, the employing office must determine the amount to withhold. To do this, it converts the biweekly cost to an annual cost and prorates it over the number of installments of pay regularly paid during the year.

(f) When an agency withholds less than or none of the proper amount of Optional life insurance deductions from an individual's pay, annuity, or compensation, the agency must submit an amount equal to the uncollected deductions required under 5 U.S.C. 8714a, 8714b, and 8714c to OPM for deposit in the Employees' Life Insurance Fund.

[68 FR 59081, Oct. 14, 2003]

§ 870.403 Withholdings and contributions following a Living Benefit election.

(a) Withholdings and contributions for Basic insurance for an individual who elects a full Living Benefit under subpart K of this part stop at the end of the pay period in which the Living Benefit election is effective.

(b) Withholdings and contributions for Basic insurance for an employee who elects a partial Living Benefit under subpart K of this part are based on the post-election BIA. This reduction in withholdings and contributions starts at the end of the pay period in which the Living Benefit election is effective.

(c) Withholdings and contributions for Basic insurance for an annuitant or compensationner who elected a partial Living Benefit as an employee are based on the post-election BIA.

(d) There is no change in withholdings for Optional insurance for individuals who elect a Living Benefit.

[62 FR 48731, Sept. 17, 1997; 62 FR 52181, Oct. 6, 1997]

§ 870.404 Withholdings and contributions provisions that apply to both Basic and Optional insurance.

(a) Withholdings (and Government contributions, when applicable) are based on the amount of insurance in force at the end of the pay period.

(b) Withholdings are not required for the period between the end of the pay period in which an employee separates from service and the date his/her annuity or compensation begins.

(c) No payment is required while an insured employee is in nonpay status for up to 12 months. Exception: an employee who is in nonpay status while receiving compensation.

(d) The deposit described in §§ 870.401(f) and 870.402(f) must be made no later than 60 calendar days after the date the employing office determines the amount of the underdeduction that has occurred, regardless of whether or when the underdeduction is recovered by the agency. The agency must determine whether to waive collection of the overpayment of pay, in accordance with 5 U.S.C. 5584, as implemented by 4 CFR chapter I, subchapter G. However, if the agency involved is excluded from the provisions of 5 U.S.C. 5584, it may use any applicable authority to waive the collection.

(e) Effective October 21, 1972, when there is an official finding that an employee was suspended or fired erroneously, no withholdings are made from the back pay. Exception: if death or accidental dismemberment occurs during the period between the employee's removal and the finding that the agency action was erroneous, premiums are withheld from the back pay awarded.

(f) If an individual's periodic pay, compensation, or annuity isn't sufficient to cover the full withholdings, any amount available for life insurance withholding must be applied first to Basic insurance, with any remainder applied to Optional insurance (first to Option B, then Option A, then Option C).

[62 FR 48731, Sept. 17, 1997, as amended at 68 FR 59082, Oct. 14, 2003]

§ 870.405 Direct premium payments.

(a) Since January 1, 1988, annuitants who retired under 5 U.S.C. chapter 84

(Federal Employees' Retirement System) have been able to make direct premium payments if their annuity became too small to cover the premiums. Effective the first pay period beginning on or after October 30, 1998, all employees, annuitants, and compensationers whose pay, annuity, or compensation is insufficient to cover the withholdings can make direct premium payments.

(b)(1) For an individual to be eligible to make direct premium payments, the employing office or retirement system must determine that the pay, annuity, or compensation, after all other deductions, is expected to be insufficient on an ongoing basis, *i.e.*, for the next 6 months or more.

(2) This section does not apply to employees in nonpay status. Employees in nonpay status are governed by § 870.404(c).

(c)(1) When the employing office or retirement system determines that the pay, annuity, or compensation is insufficient, and will be insufficient on an ongoing basis, it must notify the insured individual (or the assignee, if the individual has assigned his/her insurance under subpart I of this part) in writing and inform him/her of the available choices.

(2) Within 31 days of receiving the notice (45 days for individuals living overseas), the insured individual (or assignee) must return the notice to the employing office or retirement system, choosing either to terminate some or all of the insurance or to make direct premium payments. An employee, annuitant, or compensationer is considered to receive a mailed notice 5 days after the date of the notice.

(3) If an individual does not return the notice within the required time frames, the employing office or retirement system will terminate the insurance.

(d)(1) Terminated coverage stops at the end of the last pay period for which premiums were withheld.

(2) An individual whose insurance terminates, either by choice or by failure to return the notice, gets the 31-day extension of coverage and right to convert, as provided in subpart F of this part.

(3)(i) When an employee's pay again becomes sufficient to allow premium

withholdings, the employing office will automatically reinstate the terminated coverage.

(ii) An annuitant or compensationer whose coverage terminates cannot have the coverage reinstated when the annuity or compensation becomes sufficient to cover withholdings.

(e)(1) Employing offices and retirement systems must establish a method for accepting premium payments for insured individuals who choose to pay directly.

(2) Individuals who are paying directly must send the required premium payment to the employing office or retirement system for every pay period during which coverage continues. The insured individual must make the payment after each pay period, according to the schedule established by the employing office or retirement system.

(3)(i) When an employee's pay again becomes sufficient to allow premium withholdings, he/she must stop making direct payments. The employing office will begin to withhold premiums automatically.

(ii) An annuitant or compensationer who is making direct premium payments must continue to pay directly, even if the annuity or compensation becomes sufficient to allow withholdings.

(f) The employing office or retirement system must submit all direct premium payments, along with its regular life insurance premiums, to OPM according to procedures set by OPM.

(g)(1) If an individual on direct pay fails to make the required premium payment on time, the employing office or retirement system must notify the individual. The individual must make the payment within 15 days after receiving the notice (45 days if living overseas). An individual is considered to receive a mailed notice 5 days after the date of the notice.

(2) If an insured individual fails to make the overdue payment, his/her insurance cancels. Cancellation is effective at the end of the last pay period for which payment was received.

(3) An individual whose insurance cancels for nonpayment does not get the 31-day extension of coverage or the right to convert provided in subpart F of this part.

(4) Coverage that cancels for non-payment is not reinstated when the individual's pay, annuity, or compensation becomes sufficient to allow withholdings, except as provided by paragraph (g)(5) of this section.

(5) If, for reasons beyond his/her control, an insured individual is unable to pay within 15 days of receiving the past due notice (45 days if living overseas), he/she may request reinstatement of coverage by writing to the employing office or retirement system within 30 days from the date of cancellation. The individual must provide proof that he/she was prevented from paying within the time limit for reasons beyond his/her control. The employing office or retirement system will decide if the individual is eligible for reinstatement of coverage. If the employing office or retirement system approves the request, the coverage is reinstated back to the date of cancellation, and the individual must pay the back premiums.

[64 FR 72462, Dec. 28, 1999]

Subpart E—Coverage

§ 870.501 Basic insurance: Effective dates of automatic coverage.

(a)(1) When an employee is appointed or transferred to a position in which he/she is eligible for insurance, the employee is automatically insured for Basic insurance on the day he/she enters on duty in pay status, unless, before the end of the first pay period, the employee files a waiver of Basic insurance with the employing office or had previously filed a waiver which remains in effect.

(2) An insured employee who moves to another covered position is automatically insured on the effective date of the move, unless the employee files a waiver of Basic insurance with the new employing office before the end of the first pay period in the new position.

(3) When an employee of the District of Columbia Financial Responsibility and Management Assistance Authority elects to be considered a Federal employee under section 153 of Pub. L. 104-134 (110 Stat. 1321), he/she is automatically insured on (i) the date the employee enters on duty in pay status with the Authority, or (ii) the date the

Authority receives the employee's election to be considered a Federal employee, whichever is later.

(b) An employee who returns to pay and duty status after a period of more than 12 months of nonpay status is automatically insured at the time he/she actually enters on duty in pay status, unless, before the end of the first pay period, the employee files a waiver of Basic insurance coverage with the employing office or had previously filed a waiver which remains in effect.

(c) For an employee who serves in cooperation with a non-Federal agency and who is paid in whole or in part from non-Federal funds, OPM sets the effective date. This date must be part of an agreement between OPM and the non-Federal agency. The agreement must provide either:

(1) That the required withholdings and contributions be made from Federally controlled funds and deposited into the Employees' Life Insurance Fund on a timely basis, or

(2) That the cooperating non-Federal agency, by written agreement with the Federal agency, make the required withholdings and contributions from non-Federal funds and transmit that amount to the Federal agency for deposit into the Employees' Life Insurance Fund on a timely basis.

(d) If an employee waived Basic insurance on or before February 28, 1981, the waiver was automatically cancelled effective on the 1st day the employee entered on duty in pay status on or after April 1, 1981. Basic insurance coverage was automatically effective on the date of the waiver's cancellation, unless the employee filed a new waiver of Basic insurance with the employing office before the end of the pay period during which the coverage became effective.

§ 870.502 Basic insurance: Waiver/cancellation of insurance.

(a) An insured individual may cancel his/her Basic insurance at any time by filing a waiver of Basic insurance coverage. An employee files with the employing office. An annuitant files with OPM or other office that administers his/her retirement system. If still employed, a compensation filer files with the

§ 870.503

employing office, and if not still employed, with OPM. The waiver is effective, and the insurance stops, at the end of the pay period in which the waiver is properly filed. Exception: an individual who has assigned his/her insurance under subpart I of this part cannot cancel the insurance.

(b) An individual who cancels his/her Basic insurance automatically cancels all forms of Optional insurance.

§ 870.503 Basic insurance: Cancelling a waiver.

(a) An annuitant or compensation officer who has filed a waiver of Basic insurance cannot cancel the waiver.

(b) An employee who has filed a waiver of Basic insurance may cancel the waiver and become insured if:

(1) At least 1 year has passed since the effective date of the waiver, and

(2) He/she provides satisfactory medical evidence of insurability.

(c) OFEGLI reviews the Request for Insurance filed by an employee who has complied with paragraph (b) of this section and decides whether to approve it. The insurance is effective when, after OFEGLI's approval, the employee actually enters on duty in pay status in a position in which he/she is eligible for insurance. If the employee doesn't enter on duty in pay status within 31 days following the date of OFEGLI's approval, the approval is automatically revoked and the employee is not insured.

(d) When an employee who has been separated from service for at least 180 days is reinstated on or after April 1, 1981, a previous waiver of Basic insurance is automatically cancelled. Unless the employee files a new waiver, Basic insurance becomes effective on the 1st day he/she actually enters on duty in pay status in a position in which he/she is eligible for coverage. Exception: for employees who waived Basic insurance after February 28, 1981, separated, and returned to Federal service before December 9, 1983, the waiver remained in effect; these employees were permitted to elect Basic insurance by applying to their employing office before March 7, 1984.

5 CFR Ch. I (1-1-07 Edition)

§ 870.504 Optional insurance: Election.

(a)(1) Each employee must elect or waive Option A, Option B, and Option C coverage, in a manner designated by OPM, within 31 days after becoming eligible unless during earlier employment he/she filed an election or waiver which remains in effect. The 31-day time limit for Option B or Option C begins on the 1st day after February 28, 1981, on which an individual meets the definition of an employee.

(2) An employee of the District of Columbia Financial Responsibility and Management Assistance Authority who elects to be considered a Federal employee under section 153 of Pub. L. 104-134 (110 Stat. 1321) must elect or waive Option A, Option B, and Option C coverage within 31 days after the later of:

(i) The date his/her employment with the Authority begins, or

(ii) The date the Authority receives his/her election to be considered a Federal employee.

(3) Within 6 months after an employee becomes eligible, an employing office may determine that the employee was unable, for reasons beyond his/her control, to elect any type of Optional insurance within the time limit. In this case, the employee must elect or waive that type of Optional insurance within 31 days after he/she is notified of the determination. The insurance is retroactive to the 1st day of the first pay period beginning after the date the individual became eligible or after April 1, 1981, whichever is later. The individual must pay the full cost of the insurance from that date for the time that he/she is in pay status, retired, or receiving compensation and under age 65.

(b) Any employee who doesn't file a Life Insurance Election with his/her employing office, in a manner designated by OPM, specifically electing any type of Optional insurance is considered to have waived it and does not have that type of Optional insurance.

(c) For the purpose of having Option A as an employee, an election of this insurance filed on or before February 28, 1981, is considered to have been cancelled effective at the end of the pay period which included March 31, 1981, unless the employee didn't actually enter on duty in pay status during the

1st pay period which began on or after April 1, 1981. In that case the election is considered to have been cancelled on the first day after the end of the next pay period in which the employee actually entered on duty in pay status. In order to have Option A as an employee after the date of this cancellation, an employee must specifically elect the coverage by filing the Life Insurance Election with his/her employing office subject to the provisions of § 870.504(a) or § 870.506(b).

(d) Optional insurance is effective the 1st day an employee actually enters on duty in pay status on or after the day the employing office receives the election.

(e) For an employee whose Optional insurance stopped for a reason other than a waiver, the insurance is reinstated on the 1st day he/she actually enters on duty in pay status in a position in which he/she again becomes eligible.

[62 FR 48731, Sept. 17, 1997; 62 FR 52181, Oct. 6, 1997]

§ 870.505 Optional insurance: Waiver/cancellation of insurance.

(a) An insured individual may cancel entirely any type of Optional insurance, or reduce the number of multiples of his/her Option B insurance, at any time by filing a waiver of Optional insurance coverage. An employee files with the employing office. An annuitant files with OPM or other office that administers his/her retirement system. If still employed, a compensation officer files with the employing office, and if not still employed, with OPM. Exception: an individual who has assigned his/her insurance under subpart I of this part cannot cancel Option A or Option B coverage.

(b) A cancellation of Optional insurance becomes effective, and Optional insurance stops, at the end of the pay period in which the waiver is properly filed. Exception: if Option C is cancelled because there are no eligible family members, the effective date is retroactive to the end of the pay period in which there stopped being any eligible family members.

(c) A waiver of Optional insurance remains in effect until it is cancelled as provided in § 870.506.

§ 870.506 Optional insurance: Cancelling a waiver.

(a) *When there is a change in family circumstances.* (1) An employee cannot cancel a waiver of Option A due to a change in family circumstances.

(2) An employee who has waived Option B coverage can elect it, and an employee who has fewer than 5 multiples of Option B can increase the number of multiples, upon his/her marriage or divorce, upon a spouse's death, or upon acquiring an eligible child. Exception: Acquiring a foster child does not qualify an employee to elect or increase Option B coverage.

(3) The number of multiples of Option B coverage that an employee can obtain or add (which cannot exceed a total of 5) is limited to the following:

(i) For marriage, the number of additional family members (spouse and eligible children) acquired with the marriage;

(ii) For acquisition of children, the number of eligible children acquired; and

(iii) For divorce or death of a spouse, the total number of eligible children of the employee.

(4)(i) An employee who has waived Option C coverage can elect it, and an employee who has fewer than 5 multiples of Option C can increase the number of multiples, upon his/her marriage or upon acquiring an eligible child. An employee can also elect Option C coverage upon divorce or death of a spouse, if the employee has any eligible children.

(ii) An employee electing or increasing Option C coverage may elect any number of multiples, as long as the total number of multiples does not exceed 5.

(5)(i) Except as stated in paragraph (a)(5)(iii) of this section, the employee must file an election under paragraph (a)(2) or (a)(4) of this section with the employing office, in a manner designated by OPM, along with proof of the event, no later than 60 days following the date of the event that permits the election; the employee may instead file the election before the event and provide proof no later than 60 days following the event.

(ii) This 60-day time limit may be extended if the individual is not serving

in a covered position on the date of the event or if the individual separates from covered service prior to the end of the 60-day time limit. This extension cannot exceed the 31-day time limit for electing insurance following employment in a covered position or, for an election under paragraph (a)(4) of this section, the 31-day period following the 1st day on which the individual becomes eligible to cancel a waiver of Basic insurance.

(iii) An employee making an election under paragraph (a)(4)(i) of this section because of acquiring an eligible foster child must file the election with the employing office no later than 60 days after completing the required certification.

(iv) Employees who had a change in family circumstances between October 30, 1998, and April 23, 1999, had until June 23, 1999, to make an election under this section.

(6)(i) The effective date of Option B insurance elected under paragraph (a)(1) of this section is the 1st day the employee actually enters on duty in pay status on or after the day the employing office receives the election.

(ii) The effective date of Option C coverage elected because of marriage, divorce, death of a spouse, or acquiring an eligible child other than a foster child is the day the employing office receives the election, or the date of the event, whichever is later. Exception: Coverage elected under paragraph (a)(5)(iv) of this section was effective April 24, 1999.

(iii) The effective date of Option C coverage elected because of acquiring a foster child is the date the employing office receives the election or the date the employee completes the certification, whichever is later.

(b) *When there is no change in family circumstances.* (1) An employee who has waived Option A or Option B coverage may elect it if:

(i) At least 1 year has passed since the effective date of the waiver, and

(ii) He/she provides satisfactory medical evidence of insurability.

(2) An employee who has Option B coverage of fewer than five multiples of annual pay may increase the number of multiples if:

(i) At least 1 year has passed since the effective date of his/her last election of fewer than five multiples (including a reduction in the number of multiples), and

(ii) He/she provides satisfactory medical evidence of insurability.

(iii) The requirement for at least 1 year to have passed since the effective date of the last election doesn't apply when an employee elected fewer than five multiples because of the limitation under paragraph (a)(3) of this section.

(3) A waiver of Option C cannot be cancelled without a change in family circumstances, unless authorized during an open enrollment period.

(c) OFEGLI reviews the request filed by an employee who has complied with paragraph (b) of this section and decides whether to approve it. The Optional insurance is effective when, after OFEGLI's approval, the employee actually enters on duty in pay status in a position in which he/she is eligible for insurance and files a Life Insurance Election. If the employee doesn't enter on duty in pay status within 31 days following the date of OFEGLI's approval, the approval is automatically revoked and the employee does not have the Optional insurance requested.

(d) If an employee waived Option A insurance on or before February 28, 1981, the waiver was automatically cancelled effective on the 1st day the employee entered on duty in pay status on or after April 1, 1981. Option A was effective on the date of the waiver's cancellation, if the employee filed an election of Option A during the March 1, 1981, through March 31, 1981, open enrollment period. If the employee didn't file the election with his/her employing office during the March 1981 open enrollment period, the employee is considered to have waived Option A on March 31, 1981.

(e) When an employee who has been separated from service for at least 180 days is reinstated on or after April 1, 1981, a previous waiver of Optional insurance is automatically cancelled, as follows:

(1) An employee who returned to service between April 1, 1981, and December 8, 1983, after a 180-day break in service was permitted to elect any form of Optional insurance by applying

to his/her employing office before March 7, 1984.

(2) An employee who returns to service after December 8, 1983, following a 180-day break in service may elect any form of Optional insurance by applying to his/her employing office within 31 days after reinstatement. Coverage is effective on the 1st day the employee actually enters on duty in pay status in a position in which he/she is eligible for insurance on or after the date the employing office receives the election. If the employee doesn't file a Life Insurance Election, in a manner designated by OPM, within the 31-day period, the employee gets whatever Optional insurance coverage he/she had immediately before separating from Federal service and is considered to have waived any other Optional insurance. However, an employee who fails to file during the 31-day period due to reasons beyond his/her control may enroll belatedly under the conditions stated in § 870.504(a)(3).

(f) An annuitant or compensationeer is not eligible to cancel a waiver of any type of Optional insurance or to increase multiples of Option B under this section.

[62 FR 48731, Sept. 17, 1997; 62 FR 52181, Oct. 6, 1997, as amended at 64 FR 16602, Apr. 6, 1999; 64 FR 72462, Dec. 28, 1999]

§ 870.507 Open enrollment periods.

(a) There are no regularly scheduled open enrollment periods for life insurance. Open enrollment periods are held only when specifically scheduled by OPM.

(b) During an open enrollment period, unless OPM announces otherwise, eligible employees may cancel their existing waivers of Basic and/or Optional insurance by electing the insurance in a manner designated by OPM.

(c)(1) OPM sets the effective date for all insurance elected during an open enrollment period. The newly elected insurance is effective on the 1st day of the first pay period which begins on or after the OPM-established date and which follows a pay period during which the employee was in pay and duty status for at least 32 hours, unless OPM announces otherwise.

(2) A part-time employee must be in pay and duty status for one-half the

regularly scheduled tour of duty shown on his/her current Standard Form 50 for newly elected coverage to become effective, unless OPM announces otherwise.

(3) An employee who has no regularly scheduled tour of duty or who is employed on an intermittent basis must be in pay and duty status for one-half the hours customarily worked before newly elected coverage can become effective, unless OPM announces otherwise. For the purpose of this paragraph, employing offices can determine the number of hours customarily worked by averaging the number of hours worked in the most recent calendar year quarter prior to the start of the open enrollment period.

(d) Within 6 months after an open enrollment period ends, an employing office may determine that an employee was unable, for reasons beyond his/her control, to cancel an existing waiver by electing to be insured during the open enrollment period. In this case, if the employee wants coverage, he/she must submit an election within 31 days after being notified of the determination. Coverage is retroactive to the first pay period which begins on or after the effective date set by OPM and which follows a pay period during which the employee was in pay and duty status for at least 32 hours, unless OPM announces otherwise. If the employee doesn't file an election within this 31-day time limit, he/she will be considered to have waived coverage.

§ 870.508 Nonpay status.

(a) An employee who is in nonpay status is entitled to continue life insurance for up to 12 months. No premium payments are required, unless the employee is receiving compensation.

(b) If an insured employee who is entitled to free insurance while in nonpay status accepts a temporary appointment to a position in which he/she would normally be excluded from insurance, the insurance continues. The amount of Basic insurance is based on whichever position's salary is higher. Withholdings are made from the employee's pay in the temporary position.

(c) If an insured employee goes on leave without pay (LWOP) to serve as a

full-time officer or employee of an employee organization, within 60 days of the start of the LWOP he/she may elect to continue life insurance. The insurance continues for the length of the appointment, even if the LWOP lasts longer than 12 months. The employee must pay to the employing office the full cost of Basic and Optional insurance. There is no Government contribution for these employees.

(d) If an insured employee goes on LWOP while assigned to a State government, local government, or institution of higher education, life insurance continues for the length of the assignment, even if the LWOP lasts longer than 12 months. The employee must pay his/her premiums to the Federal agency on a current basis. The agency must continue to pay its contribution as long as the employee makes his/her payments.

§ 870.509 Transfers to international organizations.

An employee transferred to an international organization may continue life insurance coverage as provided in 5 U.S.C. 3582. Regulations governing these transfers are in part 352 of this title.

Subpart F—Termination and Conversion

§ 870.601 Termination of Basic insurance.

(a) Except as provided in § 870.701, the Basic insurance of an insured employee stops on the date he/she separates from service, subject to a 31-day extension of coverage.

(b) The Basic insurance of an employee who separates from service after meeting the requirement for an immediate annuity under § 842.204(a)(1) of this title and who postpones receiving the annuity, as provided by § 842.204(c) of this title, stops on the date he/she separates from service, subject to a 31-day extension of coverage.

(c) The Basic insurance of an insured employee who moves without a break in service to a position in which he/she is excluded from life insurance stops on his/her last day in the former position, subject to a 31-day extension of coverage.

(d)(1) Except as provided in § 870.701, the Basic insurance of an insured employee who is in nonpay status stops on the date the employee completes 12 months in nonpay status, subject to a 31-day extension of coverage. The 12 months' nonpay status may be broken by periods of less than 4 consecutive months in pay status. If an employee has at least 4 consecutive months in pay status after a period of nonpay status, he/she is entitled to begin the 12 months' continuation of Basic insurance again. If an employee has used up his/her 12 months' continuation in nonpay status and returns to duty for less than 4 consecutive months, his/her Basic insurance stops on the 32nd day after the last day of the last pay period in pay status.

(2) For the purpose of paragraph (d)(1) of this section, 4 consecutive months in pay status means any 4-month period during which the employee is in pay status for at least part of each pay period.

(3) For the purpose of paragraph (d)(1) of this section, an individual who is entitled to benefits under part 353 of this chapter is considered to be an employee in nonpay status.

(e) Except for employees, annuitants, and compensationers who elect direct payment as provided in § 870.405 of this part, Basic insurance stops, subject to a 31-day extension of coverage, at the end of the pay period in which the employing office or retirement system determines that an individual's periodic pay, annuity, or compensation, after all other deductions, is not enough to cover the full cost of Basic insurance.

[62 FR 48731, Sept. 17, 1997, as amended at 64 FR 72463, Dec. 28, 1999]

§ 870.602 Termination of Optional insurance.

(a)(1) The Optional insurance of an insured employee stops when his/her Basic insurance stops, subject to the same 31-day extension of coverage.

(2) An employee who meets the requirements for portability, as provided in subpart L of this part, may elect portability for his/her Option B coverage, instead of having it terminate.

(b) The Optional insurance of an employee who separates from service after

meeting the requirement for an immediate annuity under § 842.204(a)(1) of this title and who postpones receiving the annuity, as provided by § 842.204(c) of this title, stops on the date he/she separates from service, subject to a 31-day extension of coverage.

(c)(1) If an insured employee is not eligible to continue Optional coverage as an annuitant or compensationner as provided by § 870.701, the Optional insurance stops on the date that his/her Basic insurance is continued or reinstated under the provisions of § 870.701, subject to a 31-day extension of coverage.

(2) A compensationner who meets the requirements for portability, as provided in subpart L of this part, may elect portability for his/her Option B coverage, instead of having it terminate.

(d) If, at the time of an individual's election of Basic insurance during receipt of annuity or compensation, he/she elects no Basic life insurance as provided by § 870.702(a)(1), the Optional insurance stops at the end of the month in which the election is received in OPM, subject to a 31-day extension of coverage.

(e) Except for employees, annuitants, and compensationners who elect direct payment as provided in § 870.405 of this part, Optional insurance stops, subject to a 31-day extension of coverage, at the end of the pay period in which the employing office or retirement system determines that an individual's periodic pay, annuity, or compensation, after all other deductions, is not enough to cover the full cost of the Optional insurance. If an individual has more than one type of Optional insurance and his/her pay, annuity, or compensation is sufficient to cover some but not all of the insurance, the multiples of Option C terminate first, followed by Option A, and then the multiples of Option B.

[62 FR 48731, Sept. 17, 1997, as amended at 64 FR 72463, Dec. 28, 1999]

§ 870.603 Conversion of Basic and Optional insurance.

(a)(1) When group coverage terminates for any reason other than voluntary cancellation, an employee may apply to convert all or any part of his/

her Basic and Optional insurance to an individual policy; no medical examination is required. The premiums for the individual policy are based on the employee's age and class of risk. An employee is eligible to convert the policy only if he/she doesn't return, within 3 calendar days from the terminating event, to a position covered under the group plan. If insurance has been assigned under subpart I of this part, it is the assignee(s), not the employee, who has(have) the right to convert.

(2) The employing agency must notify the employee/assignee(s) of the loss of coverage and the right to convert to an individual policy either before or immediately after the event causing the loss of coverage.

(3) The employee/assignee(s) must submit the request for conversion information to OFEGLI. It must be postmarked within 31 days following the date of the terminating event or within 31 days of the date the employee/assignee received the notice of loss of group coverage and right to convert, whichever is later.

(4) An employee/assignee who fails to use his/her conversion right within 31 days after receiving notice of the right to convert or within 31 days of the terminating event, whichever is later, is considered to have refused coverage, unless OFEGLI determines the failure was for reasons beyond the employee's control, as described in paragraph (a)(5) of this section.

(5) When an agency fails to provide the notification required in paragraph (a)(2) of this section, or the employee/assignee fails to request conversion information within the time limit set in paragraph (a)(3) of this section for reasons beyond his/her control, the employee may make a belated request by writing to OFEGLI. The employee/assignee must make the request within 6 months after becoming eligible to convert the insurance. The employee/assignee must show that he/she wasn't notified of the loss of coverage and the right to convert and was not otherwise aware of it or that he/she was unable to convert to an individual policy for reasons beyond his/her control. OFEGLI will determine if the employee/assignee is eligible to convert. If the request is

§ 870.701

5 CFR Ch. I (1–1–07 Edition)

approved, the employee must convert within 31 days of that determination.

(b) The individual conversion policy is effective the day after the group coverage ends. The employee/assignee must pay the premiums for any period retroactive to that date.

(c) The 31-day extension of coverage provided under this subpart does not depend upon timely notification of the right to convert to an individual policy. The extension cannot be continued beyond 31 days.

Subpart G—Annuitants and Compensationers

§ 870.701 Eligibility for life insurance.

(a) When an insured employee retires, Basic life insurance (but not accidental death and dismemberment) continues and is reinstated if he/she:

(1) Is entitled to retire on an immediate annuity under a retirement system for civilian employees, including the retirement system of a non-appropriated fund instrumentality of the Department of Defense or the Coast Guard;

(2) Was insured for the 5 years of service immediately before the date the annuity starts, or for the full period(s) of service during which he/she was eligible to be insured if less than 5 years; and

(3) Has not converted to an individual policy as described in § 870.603. If it is determined that an individual is eligible to continue the group coverage as an annuitant after he/she has already converted to an individual policy, the group enrollment may be reinstated. If the individual wants the group coverage reinstated, the conversion policy must be voided, the group policy must be reinstated retroactively, and the premiums already paid on the conversion policy must be refunded to the individual.

(b) Following separation or the completion of 12 months' nonpay status, a compensationers' Basic life insurance (but not accidental death and dismemberment) continues or is reinstated if he/she:

(1) Has been insured for the 5 years of service immediately before the date of entitlement to compensation, or for the full period(s) of service during

which he/she was eligible to be insured if less than 5 years; and

(2) Has not converted to an individual policy as described in § 870.603. If it is not determined that an individual is eligible to continue the group coverage as a compensationers until after he/she has converted, the group enrollment may be reinstated. If the individual wants the group coverage reinstated, the conversion policy must be voided, the group policy must be reinstated retroactively, and the premiums already paid on the conversion policy must be refunded to the individual.

(c) An individual who meets the requirements under paragraphs (a) or (b) of this section or § 870.706 for continuation or reinstatement of life insurance must complete an election, in a manner designated by OPM, at the time entitlement is established. For the election to be valid, OPM must receive the election before OPM has made a final decision on the individual's application for annuity or supplemental annuity or an individual's request to continue life insurance as a compensationers. If there is no valid election, OPM considers the individual to have chosen the option described in paragraph (a)(2) of § 870.702.

(d) If the annuity or compensation is terminated, or if the Department of Labor finds that an insured compensationers is able to return to duty, his/her Basic life insurance held as an annuitant or compensationers stops on the date of the termination or finding. There is no 31-day extension of coverage or conversion right.

(e)(1) An annuitant or compensationers who is eligible to continue or have reinstated Basic insurance is also eligible to continue or have reinstated Optional insurance if he/she meets the same coverage requirements for Optional insurance as those stated in paragraph (a) or (b) of this section for Basic insurance.

(2) For the purpose of continuing insurance as an annuitant or compensationers, an employee is not considered to have been eligible for Option C during any period when the employee had no eligible family members.

§ 870.702 Amount of Basic insurance.

(a) The amount of Basic insurance an annuitant or compensationner can continue is the BIA on the date insurance would otherwise have stopped because of the individual's separation from service or completion of 12 months in nonpay status. The amount of Basic insurance in force is the BIA minus any reductions applicable under § 870.703(a).

(b)(1) For the purpose of paying benefits upon the death of an insured individual under age 45 who is retired or receiving compensation, the BIA will be multiplied by the appropriate age factor shown in § 870.202(c) of this part. Exceptions:

(i) If the insured individual retired or became insured as a compensationner before October 10, 1980, or

(ii) If the insured individual elected a partial Living Benefit as an employee under subpart K of this part.

(2)(i) For an annuitant or compensationner who elected a partial Living Benefit as an employee, the amount of Basic insurance he/she can continue is the post-election BIA, as shown in § 870.203(a)(2) of this part.

(ii) For the purpose of paying benefits upon the death of an insured annuitant or compensationner under age 45 who elected a partial Living Benefit as an employee, the BIA will be multiplied by the age factor in effect on the date OFEGLI received the completed Living Benefit application.

[64 FR 72463, Dec. 28, 1999]

§ 870.703 Election of Basic insurance.

(a) Unless he/she has elected a Living Benefit, an individual who makes an election under § 870.701(c) must select one of the following options:

(1) Termination of the insurance. The individual's insurance stops upon conversion to an individual policy as provided under § 870.603. If the individual doesn't convert to an individual policy, insurance stops at the end of the month in which OPM or the employing office receives the election;

(2) Continuation or reinstatement of Basic insurance with a maximum reduction of 75 percent during retirement. Premiums are withheld from annuity or compensation (except as provided under 870.401(d)(1)). The amount

of Basic Life insurance in force reduces by 2 percent of the BIA each month until the maximum reduction is reached. This reduction starts at the beginning of the 2nd month after the date the insurance would otherwise have stopped or the date of the insured's 65th birthday, whichever is later;

(3) Continuation or reinstatement of Basic insurance with a maximum reduction of 50 percent during retirement. Premiums are withheld from annuity or compensation. The amount of Basic insurance in force reduces by 1 percent of the BIA each month until the maximum reduction is reached. This reduction starts at the beginning of the 2nd month after the date the insurance would otherwise have stopped or the date of the insured's 65th birthday, whichever is later; or

(4) Continuation or reinstatement of Basic insurance with no reduction after age 65. Premiums are withheld from annuity or compensation.

(b)(1) Unless an employee has elected a partial Living Benefit under subpart K of this part or an individual has assigned the insurance under subpart I of this part, an insured individual may cancel an election under paragraph (a)(3) or (a)(4) of this section at any time. The amount of Basic insurance automatically switches to the amount that would have been in force if the individual had originally elected the 75 percent reduction. This revised amount is effective at the end of the month in which OPM receives the request to cancel the previous election.

(2) If an individual files a waiver of insurance, the coverage stops without a 31-day extension of coverage or conversion right. This is effective at the end of the month in which OPM receives the waiver.

(c) Unless he/she chooses to terminate his/her insurance, an employee who has elected a partial Living Benefit must choose the no reduction election under paragraph (a)(4) of this section. He/she cannot later change to the 75 percent reduction.

(d) If an employee has assigned his/her insurance, he/she cannot cancel an election under paragraph (a)(3) or (a)(4) of this section. Only the assignee(s) may cancel this election. Exception: if

§ 870.704

5 CFR Ch. I (1–1–07 Edition)

the employee elected a partial Living Benefit before assigning the remainder of his/her insurance, the assignee(s) cannot cancel the election under paragraph (a)(4) of this section.

[62 FR 48731, Sept. 17, 1997. Redesignated at 64 FR 72463, Dec. 28, 1999]

§ 870.704 Amount of Option A.

(a) The amount of Option A coverage an annuitant or compensationner can continue is \$10,000.

(b) An annuitant's or compensationner's Option A coverage reduces by 2 percent of the original amount each month up to a maximum reduction of 75 percent. This reduction starts at the beginning of the 2nd month after the date the insurance would otherwise have stopped or the beginning of the 2nd month after the date of the insured's 65th birthday, whichever is later.

[64 FR 72463, Dec. 28, 1999]

§ 870.705 Amount and election of Option B and Option C.

(a) The number of multiples of Option B and Option C coverage an annuitant or compensationner can continue is the highest number of multiples in force during the applicable period of service required to continue Option B and Option C.

(b)(1)(i) At the time an employee retires or becomes insured as a compensationner, he/she must elect the number of allowable multiples he/she wishes to continue during retirement or while receiving compensation.

(ii) An employee who elects to continue fewer multiples than the number for which he/she is eligible is considered to have cancelled the multiples that are not continued.

(iii) Employees separating for retirement and employees becoming insured as compensationners on or after April 24, 1999, must also elect either Full Reduction or No Reduction for all of the multiples being continued.

(iv) An employee who does not make a reduction election is considered to have chosen Full Reduction.

(2)(i) Prior to reaching age 65, an annuitant or compensationner can change from No Reduction to Full Reduction at any time. Exception: If the indi-

vidual has assigned his/her insurance as provided in subpart I of this part, only the assignee can change from No Reduction to Full Reduction for the Option B coverage.

(ii) Prior to reaching age 65, an annuitant or compensationner can change from Full Reduction to No Reduction at any time.

(3)(i) After reaching age 65, an annuitant or compensationner can change from No Reduction to Full Reduction at any time. Exception: If the individual has assigned his/her insurance as provided in subpart I of this part, only the assignee can change from No Reduction to Full Reduction for the Option B coverage. If an individual age 65 or over changes to Full Reduction, the amount of insurance in force is computed as if he/she had elected Full Reduction initially. There is no refund of premiums.

(ii) Except as provided in paragraph (b)(4) of this section, after reaching age 65, an annuitant or compensationner cannot change from Full Reduction to No Reduction.

(4)(i) Shortly before an annuitant or compensationner's 65 birthday, the retirement system will send a reminder about the election he/she made and will offer the individual a chance to change the election. At that time, the annuitant or compensationner can choose to have some multiples of Option B and Option C reduce and some not reduce.

(ii) If the individual is already 65 or older at the time of retirement or becoming insured as a compensationner, the retirement system will send the reminder and give the opportunity to change the election as soon as the retirement processing or compensation transfer is complete.

(iii) If the individual assigned his/her insurance as provided in subpart I of this part, and if the employee elected No Reduction for Option B coverage at the time of retirement or becoming insured as a compensationner, the retirement system will send the reminder notice for Option B coverage to the assignee.

(iv) An annuitant or compensationner who wishes to change his/her reduction election must return the notice by the end of the month following the month in which the individual turns 65, or if

already over age 65, by the end of the 4th month after the date of the letter. An annuitant or compensationner who does not return the election notice will keep his/her initial election.

(c)(1) For each multiple of Option B and/or Option C for which an individual elects Full Reduction, the coverage reduces by 2 percent of the original amount each month. This reduction starts at the beginning of the 2nd month after the date the insurance would otherwise have stopped or the beginning of the 2nd month after the insured's 65th birthday, whichever is later. At 12:00 noon on the day before the 50th reduction, the insurance stops, with no extension of coverage or conversion right.

(2) For each multiple of Option B and/or Option C for which an individual elects No Reduction, the coverage in force does not reduce. After age 65 the annuitant or compensationner continues to pay premiums appropriate to his/her age.

(d)(1) Employees who were already retired or insured as compensationners on April 24, 1999, and who had Option B, were given an opportunity to make an election for Option B.

(i) Annuitants and compensationners who were under age 65 were notified of the option to elect No Reduction. The retirement system will send these individuals an actual election notice before their 65th birthday, as provided in paragraph (b)(4) of this section.

(ii) Annuitants and compensationners who were age 65 or older, and who still had some Option B coverage remaining, were given the opportunity to stop further reductions. These individuals had until October 24, 1999, to make the No Reduction election. The amount of Option B coverage retained was the amount in effect on April 24, 1999. Those annuitants and compensationners who elected No Reduction were required to pay premiums retroactive to April 24, 1999.

(2) Employees who were already retired or insured as compensationners on April 24, 1999, could not elect No Reduction for Option C.

[64 FR 72464, Dec. 28, 1999]

§ 870.706 Reinstatement of life insurance.

(a) An annuitant whose disability annuity terminates because he/she recovers from the disability or because his/her earning capacity returns, and whose disability annuity is later restored under 5 U.S.C. 8337(e) (after December 31, 1983), may elect to resume the Basic insurance held immediately before his/her disability annuity terminated. OPM must receive the election within 60 days after OPM mails a notice of insurance eligibility and an election form.

(b) An annuitant described in paragraph (a) of this section may elect to resume any Optional insurance held immediately before the annuity terminated if:

(1) He/she has made an election under paragraph (a) of this section; and

(2) OPM receives the election within 60 days after OPM mails a notice of insurance eligibility and an election form.

(c) Basic and Optional insurance reinstated under paragraphs (a) and (b) of this section is effective on the 1st day of the month after the date OPM receives the election. Any applicable annuity withholdings are also reinstated on the 1st day of the month after OPM receives the election.

(d) The amounts of Basic and Optional insurance reinstated under paragraphs (a) and (b) of this section are the amounts that would have been in force if the individual's annuity hadn't terminated.

[62 FR 48731, Sept. 17, 1997; 62 FR 52181, Oct. 6, 1997. Redesignated at 64 FR 72463, Dec. 28, 1999]

§ 870.707 Reemployed annuitants.

(a)(1) If an insured annuitant is appointed to a position in which he/she is eligible for insurance, the amount of his/her Basic life insurance as an annuitant (and any applicable annuity withholdings) is suspended on the day before the 1st day in pay status under the appointment, unless the reemployed annuitant waives all insurance coverage. The Basic insurance benefit payable upon the death of a reemployed annuitant who has Basic insurance in force as an employee can't be less than the benefit which would have

been payable if the individual hadn't been reemployed.

(2) Except as provided in paragraph (b) of this section, the Basic insurance obtained as an employee stops with no 31-day extension of coverage or conversion right, on the date reemployment terminates. Any suspended Basic insurance (and any applicable annuity withholdings) is reinstated on the day following termination of the reemployment.

(b) Basic insurance obtained during reemployment can be continued after the reemployment terminates if:

(1) The annuitant qualifies for a supplemental annuity or receives a new retirement right;

(2) He/she has had Basic insurance as an employee for at least 5 years of service immediately before separation from reemployment or for the full period(s) during which such coverage was available to him/her, whichever is less; and

(3) He/she doesn't convert to nongroup insurance when Basic insurance as an employee would otherwise terminate.

(c) If the Basic insurance obtained during reemployment is continued as provided in paragraph (b) of this section, any suspended Basic life insurance stops, with no 31-day extension of coverage or conversion right.

(d) (1) An annuitant appointed to a position in which he/she is eligible for Basic insurance, is also eligible for Optional insurance as an employee, unless he/she has on file an uncanceled waiver of Basic or Optional insurance.

(2) If the individual has Option A or C as an annuitant, that insurance (and applicable annuity withholdings) is suspended on the day before his/her 1st day in pay status under the appointment. Unless he/she waives Option A or C (or waives Basic insurance), he/she obtains Option A or C as an employee.

(3) If the individual has Option B as an annuitant, that insurance (and applicable annuity withholdings) continues as if the individual weren't reemployed, unless:

(i) The individual files with his/her employing office an election of Option B, in a manner designated by OPM, within 31 days after the date of reemployment. In this case Option B (and

applicable annuity withholdings) as an annuitant is suspended on the date that Option B as an employee becomes effective; or

(ii) The individual waives Basic insurance.

(4) The Option B benefit payable upon the death of a reemployed annuitant is the amount in effect as an annuitant, unless he/she elected to have Option B as an employee.

(5) Except as provided in paragraph (e) of this section, the Optional insurance obtained as an employee stops, with no 31-day extension or conversion right, on the date reemployment terminates. The amount of suspended Optional insurance which remains in force after applicable monthly reductions after age 65 (and corresponding withholdings) is reinstated on the day after reemployment terminates.

(e) Optional life insurance obtained during reemployment may be continued after the reemployment terminates if the annuitant:

(1) Qualifies for a supplemental annuity or receives a new retirement right;

(2) Continues his/her Basic life insurance under paragraph (a) (2), (3), or (4) of § 870.702; and

(3) Has had Optional insurance as an employee for at least the 5 years of service immediately before separation from reemployment or for the full period(s) of service during which it was available to him/her, whichever is less.

(f) If Optional insurance obtained during reemployment is continued as provided in paragraph (e) of this section, any suspended Optional insurance stops, with no 31-day extension of coverage or conversion right.

(g) If a reemployed annuitant waives life insurance as an employee, the waiver also cancels his/her life insurance as an annuitant.

[62 FR 48731, Sept. 17, 1997; 62 FR 52181, Oct. 6, 1997. Redesignated at 64 FR 72463, Dec. 28, 1999]

§ 870.708 MRA-plus-10 annuitants.

(a) The Basic insurance of an individual whose coverage terminates under § 870.601(b), and who meets the requirements for continuing Basic insurance after retirement as stated in § 870.701(a), resumes on the starting

date of annuity or on the date OPM receives the application for annuity, whichever is later. The individual must file an election as provided in § 870.701(c) so that OPM receives it within 60 days after OPM mails a notice of insurance eligibility and an election form.

(b) Optional insurance of an individual whose coverage terminates under § 870.602(b), and who meets the requirements for continuing Optional insurance after retirement under § 870.701(e), resumes on the starting date of annuity or on the date OPM receives the application for annuity, whichever is later.

Subpart H—Order of Precedence and Designation of Beneficiary

§ 870.801 Order of precedence and payment of benefits.

(a) Except as provided in paragraph (d) of this section, benefits are paid according to the order of precedence stated in 5 U.S.C. 8705(a), as follows:

(1) To the designated beneficiary (or beneficiaries);

(2) If none, to the widow(er);

(3) If none, to the child, or children in equal shares, with the share of any deceased child going to his/her children;

(4) If none, to the parents in equal shares or the entire amount to the surviving parent;

(5) If none, to the executor or administrator of the estate;

(6) If none, to the next of kin according to the laws of the State in which the insured individual legally resided.

(b) If an insured individual provides in a valid designation of beneficiary for insurance benefits to be payable to the insured's estate, or to the Executor, Administrator, or other representative of the insured's estate, or if the benefits would otherwise be payable to the duly appointed representative of the insured's estate under the order of precedence specified in 5 U.S.C. 8705(a), payment of the benefits to the duly appointed representative of the insured's estate bars recovery by any other person.

(c) Option A and B insurance in force on a person on the date of his/her death

is paid, on receipt of a valid claim, in the same order of precedence and under the same conditions as Basic insurance. A designation of beneficiary for Basic insurance is also a designation of beneficiary for Options A and B, unless the insured individual states otherwise in his/her designation.

(d)(1) If there is a court order in effect naming a specific person or persons to receive life insurance benefits upon the death of an insured individual, Basic insurance and Option A and Option B insurance will be paid to the person or persons named in the court order, instead of according to the order of precedence.

(2) To qualify a person for such payment, a certified copy of the court order must be received by the appropriate office on or after July 22, 1998, and before the death of the insured.

(3)(i) For employees, the appropriate office is their employing agency.

(ii) For annuitants, the appropriate office is OPM.

(iii) For compensationers during the first 12 months of nonpay status, the appropriate office is their employing agency.

(iv) For compensationers after separation or the completion of 12 months in nonpay status, the appropriate office is OPM.

(v) For employees and former employees who have ported Option B coverage, the appropriate office is the Portability Office.

(4) If, within the applicable time frames, the appropriate office receives conflicting court orders entitling different persons to the same insurance, benefits will be paid based on whichever court order was issued first.

(e) Upon the death of an insured family member, Option C benefits are paid to the employee, annuitant, or compensationer responsible for withholdings under § 870.402(a), except as provided in paragraph (f) of this section.

(f) If an employee, annuitant, or compensationer entitled to receive Option C benefits dies before the benefits are paid, the Option C benefits are paid to the individual(s) entitled to receive Basic life insurance benefits under the statutory order of precedence. However, if the insurance has been assigned

§ 870.802

5 CFR Ch. I (1–1–07 Edition)

in accordance with subpart I of this part, any prior designations of beneficiary were cancelled; benefits in this instance are paid under the statutory order of precedence, starting with the second on the list.

[62 FR 48731, Sept. 17, 1997, as amended at 64 FR 16602, Apr. 6, 1999; 64 FR 72464, Dec. 28, 1999; 68 FR 59082, Oct. 14, 2003]

§ 870.802 Designation of beneficiary.

(a) Except as provided in paragraph (i) of this section, if an insured individual wants benefits paid differently from the order of precedence, he/she must file a designation of beneficiary. A designation of beneficiary cannot be filed by anyone other than the insured individual. Exception: if the insurance has been assigned under subpart I of this part, the insured individual cannot designate a beneficiary; only the assignee(s) can designate beneficiaries.

(b) A designation of beneficiary must be in writing, signed by the insured individual, and witnessed and signed by 2 people. The appropriate office must receive the designation before the death of the insured.

(1) For employees, the appropriate office is the employing office.

(2) For annuitants and compensationers, the appropriate office is OPM.

(3) For employees and former employees who have ported Option B coverage, the appropriate office is the Portability Office.

(c) A designation, change, or cancellation of beneficiary in a will or any other document not witnessed and filed as required by this section has no legal effect with respect to benefits under this chapter.

(d) A witness to a designation of beneficiary cannot be named as a beneficiary.

(e) Any individual, firm, corporation, or legal entity can be named as a beneficiary, except an agency of the Federal or District of Columbia Government.

(f) An insured individual (or an assignee) may change his/her beneficiary at any time without the knowledge or consent of the previous beneficiary. This right cannot be waived or restricted.

(g)(1) A designation of beneficiary is automatically cancelled 31 days after the individual stops being insured. Exception: If the individual elects portability for Option B, a valid designation remains in effect.

(2) An assignment under subpart I of this part automatically cancels an insured individual's designation of beneficiary.

(h) An insured individual may provide that a designated beneficiary is entitled to the insurance benefits only if the beneficiary survives him/her for a specified period of time (not more than 30 days). If the beneficiary doesn't survive for the specified period, insurance benefits will be paid as if the beneficiary had died before the insured.

(i)(1) Except as provided in paragraph (i)(2) of this section, if a court order has been received in accordance with § 870.801(d), an insured individual cannot designate a different beneficiary, unless

(i) The person(s) named in the court order gives written consent for the change, or

(ii) The court order is modified.

(2) If a court order has been received in accordance with § 870.801(d), and the court order applies to only part of the insurance benefits, an insured individual can designate a different beneficiary to receive the insurance benefits that are not included under the court order. If the insured individual does not make a designation for these benefits and there is no previous valid designation on file, benefits will be paid according to the order of precedence shown in § 870.801(a).

(3) If a court order received in accordance with § 870.801(d) is subsequently modified without naming a new person to receive the benefits, and a certified copy of the modified court order is received by the appropriate office before the death of the insured, the insured individual can designate a beneficiary. Benefits will be paid according to the order of precedence shown in § 870.801(d) if the insured individual does not complete a new designation of beneficiary.

[62 FR 48731, Sept. 17, 1997; 62 FR 52181, Oct. 6, 1997, as amended at 64 FR 16602, Apr. 6, 1999; 64 FR 72464, Dec. 28, 1999]

§ 870.803 Child incapable of self-support.

(a) When it receives a claim for Option C benefits because of the death of a child age 22 or older, OFEGLI determines, based on whatever evidence it considers necessary, whether the deceased child was incapable of self-support because of a mental or physical disability which existed before the child reached age 22.

(b) If an employee elects Option C under § 870.506(a) (3), and the opportunity to elect is based solely on the acquisition of a child age 22 or older, the employee must submit to the employing office, at the time of making the election, a doctor's certificate stating that the child is incapable of self-support because of a physical or mental disability which existed before the child reached age 22 and which is expected to continue for more than 1 year. The certificate must include the name of the child, the type of disability, how long it has existed, and its expected future course and duration. The certificate must be signed by the doctor and show his/her office address.

Subpart I—Assignments of Life Insurance**§ 870.901 Assignments permitted.**

(a) (1) Section 208 of the Bankruptcy Amendments and Federal Judgeship Act of 1984, Pub. L. 98-353 (98 Stat. 355), effective July 10, 1984, permits Federal judges to irrevocably assign their FEGLI coverage to one or more individuals, corporations, or trustees. Section 4 of Pub. L. 103-336 (108 Stat. 2661), effective October 3, 1994, extended this right to all Federal employees, annuitants, and compensationers.

(2) An individual may assign ownership of all life insurance under this part, except Option C. If an individual wishing to make an assignment owns more than one type of coverage, he/she must assign all the insurance; an individual cannot assign only a portion of the coverage. Option C cannot be assigned.

(b) An individual cannot name conditional assignees in case the primary assignee dies before the insured individual.

(c) If the insurance is assigned to two or more individuals, corporations, or trustees, the insured individual must specify percentage shares, rather than dollar amounts or types of insurance, to go to each assignee.

(d) If an individual who has made an assignment later elects increased insurance coverage under § 870.506 or during an open enrollment period, the increased coverage is considered included in the already existing assignment. The right to increase coverage remains with the insured individual, rather than transferring to the assignee.

(e) An individual who assigns ownership of insurance continues to be the insured individual, but the assignee receives those rights of an insured individual that are specified in this part.

(f) Once assigned, the value of the insurance increases or decreases automatically as provided by this part. Exception: if the insured individual elected a Living Benefit before assigning the remainder of his/her insurance, the amount of Basic insurance does not increase or decrease.

(g) An insured individual who has assigned his/her insurance cannot elect a Living Benefit; nor can an assignee elect a Living Benefit on behalf of the insured individual.

(h) An insured individual who has elected a Living Benefit under subpart K of this part may assign the remainder of his/her insurance. The assignment would affect Option A, Option B, and, for an employee who elected a partial Living Benefit, Basic insurance.

(i) A court order can direct that an insured individual make an irrevocable assignment to the person(s) named in the court order. For an assignment to be effective, the insured individual must follow the procedures in § 870.902.

[62 FR 48731, Sept. 17, 1997, as amended at 64 FR 16602, Apr. 6, 1999]

§ 870.902 Making an assignment.

(a) To assign insurance, an insured individual must complete an approved assignment form. Only the insured individual can make an assignment; no one can assign on behalf of an insured individual.

(b) The individual must submit the completed and signed form to the appropriate office indicating the intent

§ 870.903

5 CFR Ch. I (1–1–07 Edition)

to irrevocably assign all ownership of the insurance. The form must also be witnessed and signed by 2 people.

(1) For employees, the appropriate office is the employing office.

(2) For annuitants and compensationers, the appropriate office is OPM.

(3) For employees and former employees who have ported Option B coverage, the appropriate office is the Portability Office.

[64 FR 72464, Dec. 28, 1999]

§ 870.903 Effective date of assignment.

An assignment under this subpart is effective on the date the employing office receives the properly completed, signed, and witnessed assignment form.

§ 870.904 Amount of insurance.

The amount of insurance is the amount of the insured individual's Basic insurance, plus any Option A and Option B coverage.

§ 870.905 Withholdings.

Premium withholdings for assigned insurance are withheld from the salary, annuity, or compensation of the insured individual, as provided in subpart D of this part.

§ 870.906 Cancellation of insurance.

(a) The right to cancel (or reduce) insurance transfers to the assignee; the insured individual cannot cancel (or reduce) insurance after making an assignment.

(b) The assignee has the right to cancel insurance according to the provisions of §§ 870.502 and 870.505. When there is more than one assignee, all assignees must agree to the cancellation. A cancellation of Basic insurance also cancels all Optional insurance.

§ 870.907 Termination and conversion.

(a) Assigned insurance terminates under the conditions stated in subpart F of this part.

(b)(1) When an insured individual's insurance terminates, an assignee has the right to convert all or part of the group insurance to an individual policy on the insured individual. The conditions stated in subpart F of this part

apply to assignees who elect to convert.

(2) When there is more than one assignee, each assignee has the right to convert all or part of his/her share of the insurance. Any assignee who doesn't convert loses all ownership of the insurance.

(3) When there is more than one assignee, the maximum amount of insurance each assignee will be able to convert is determined by the dollar amount corresponding to the assignee's share of the total insurance. This amount will be rounded up to the next higher thousand, if it's not already an even thousand dollar amount.

(4) Premiums for converted life insurance are based on the insured individual's age and class of risk at the time the conversion policy is issued.

(5) The employing office must notify each assignee of the conversion right at the time the assigned group insurance terminates.

(c) An assignment terminates 31 days after the insurance terminates, unless the insured individual is reemployed in or returns to a position in which he/she is entitled to coverage under this part within 31 days after the insurance terminates. Exception: If an employee elects portability for Option B coverage, an assignment remains in effect. If the individual returns to Federal service, Basic insurance and any Option A insurance acquired through returning to service is subject to the existing assignment.

[62 FR 48731, Sept. 17, 1997, as amended at 64 FR 72465, Dec. 28, 1999]

§ 870.908 Annuitants and compensationers.

(a) If an employee assigns Basic insurance and later becomes eligible to continue such insurance coverage as an annuitant or compensationer as provided in § 870.701:

(1) At the time he/she retires or becomes eligible as a compensationer, the insured individual may elect unreduced or partially reduced insurance coverage as provided in § 870.702(a). This right remains with the insured individual and does not transfer to the assignee. Exception: if the insured individual elected a partial Living Benefit as an employee under subpart K of this

part, he/she can only elect unreduced insurance coverage.

(2) After the individual has made the election described in paragraph (a)(1) of this section, the assignee (or, if more than one, all of the assignees acting together) may, at any time, elect to cancel the annuitant's or compensationner's election of increased coverage, as provided in § 870.702(b). The right to cancel the election transfers to the assignee; the annuitant or compensationner cannot cancel the election after making an assignment. Exception: if the individual elected a partial Living Benefit as an employee under subpart K of this part, the assignee(s) cannot cancel the election of unreduced insurance coverage.

(b) When more than one assignee has been named, at the time the insured individual becomes eligible to continue coverage as an annuitant or compensationner, some assignees may choose to convert their part of the insurance, while others may choose to continue the coverage during the insured individual's retirement or receipt of compensation. The amount of each type of continued insurance is determined by the total percentage of the shares of the assignees who choose to continue the coverage.

(c)(1) When an annuitant who has assigned his/her insurance is reemployed in a position in which he/she is entitled to life insurance coverage, the coverage he/she acquires as a reemployed annuitant is subject to the existing assignment.

(2) The right of a reemployed annuitant to elect Option B coverage as an employee rather than as an annuitant under § 870.705(d)(3) remains with the insured individual and does not transfer to the assignee. Any Option B coverage elected as an employee is subject to the existing assignment.

§ 870.909 Designations and changes of beneficiary.

(a)(1) An assignment automatically cancels an insured individual's prior designation of beneficiary. After making an assignment, an individual cannot designate a beneficiary; the right to designate beneficiaries transfers to the assignee.

(2) Each assignee may designate a beneficiary or beneficiaries to receive insurance benefits upon the death of the insured individual and may also later change the beneficiaries. An assignee may designate himself/herself the primary beneficiary and name another contingent beneficiary(ies) to receive insurance benefits if the assignee dies before the insured individual.

(b) Benefits for assigned insurance are paid to the assignee(s) if the assignee(s) did not designate a beneficiary.

(c) Benefits for assigned insurance are paid to an assignee's estate if the assignee dies before the insured individual and:

(1) The assignee (or the assignee's heirs) did not designate a beneficiary; or

(2) The assignee's designated beneficiary dies before the insured individual.

(d) The provisions of § 870.802 apply to designations of beneficiary made by assignees.

§ 870.910 Notification of current addresses.

Each assignee and each beneficiary of an assignee must keep the office where the assignment is filed informed of his/her current address.

Subpart J—Benefits for United States Hostages in Iraq and Kuwait and United States Hostages Captured in Lebanon

§ 870.1001 Purpose.

This subpart sets forth the conditions for life insurance coverage according to the provisions of section 599C of Pub. L. 101-513 (104 Stat. 2035).

§ 870.1002 Definitions.

In this subpart:

Hostage and *hostage status* have the meaning set forth in section 599C of Pub. L. 101-513 (104 Stat. 2035).

Pay period for individuals insured under this subpart means the pay period set by the U.S. Department of State.

Period of eligibility means the period beginning on the effective date set forth in § 870.1004 and ending 12 months

§ 870.1003

after hostage status ends for hostages in Iraq and Kuwait and 60 months after hostage status ends for hostages captured in Lebanon.

§ 870.1003 Coverage and amount of insurance.

(a) An individual is covered under this subpart when the U.S. Department of State determines that the individual is eligible under section 599C of Pub. L. 101-513 (104 Stat. 2035).

(b)(1) The amount of Basic life insurance for these individuals is the amount specified in § 870.202, subject to the applicable conditions stated in this subpart.

(2) The BIA under § 870.202 is the amount of the payment specified in section 599C(b)(2) of Pub. L. 101-513 (104 Stat. 2035), rounded to the next higher \$1,000, plus \$2,000.

(c) Individuals who have Basic insurance under this section also have group accidental death and dismemberment insurance.

(d) Individuals insured by this subpart are not eligible for Optional insurance.

(e) Individuals insured by this subpart are not considered employees for the purpose of this part.

(f) Eligibility for insurance under this subpart depends on the availability of funds under section 599C(e) of Pub. L. 101-513 (104 Stat. 2035).

§ 870.1004 Effective date of insurance.

Insurance under this subpart was effective on August 2, 1990, for hostages in Iraq and Kuwait and on June 1, 1982, for hostages captured in Lebanon, unless the U.S. Department of State sets a later date.

§ 870.1005 Premiums.

(a) Government contributions and employee withholdings required under subpart D of this part are paid from the funds provided under section 599C(e) of Pub. L. 101-513 (104 Stat. 2035).

(b) If an individual isn't insured for the full pay period, premiums are paid only for the days he/she is actually insured. The daily premium is the monthly premium multiplied by 12 and divided by 365.

(c) OPM may accept the payments required by this section in advance from

5 CFR Ch. I (1-1-07 Edition)

a State Department appropriation, if necessary to fund the 12-month period of coverage beginning the earlier of:

(1) The day after sanctions or hostilities end; or

(2) The day after the individual's hostage status ends.

(d) OPM will place any funds received under paragraph (c) of this section in an account set up for that purpose. OPM will make the deposit required under 5 U.S.C. 8714 from the account when the appropriate pay period occurs.

[62 FR 48731, Sept. 17, 1997; 62 FR 52181, Oct. 6, 1997]

§ 870.1006 Cancellation of insurance.

(a) An individual who is insured under this subpart may cancel his/her insurance at any time by written request. The cancellation is effective on the 1st day of the pay period after the pay period in which the U.S. Department of State receives the request.

(b) Cancellation must be requested by the insured individual and cannot be requested by a representative acting on the individual's behalf.

(c) An individual who cancels the insurance under this section cannot obtain the insurance again, unless the U.S. Department of State determines that it would be against equity and good conscience not to allow the individual to be insured.

§ 870.1007 Termination and conversion.

(a) Insurance under this subpart terminates 12 months after hostage status ends, unless the individual cancels the insurance earlier.

(b) Insured individuals whose coverage terminates are eligible for the 31-day extension of coverage and conversion as set forth in subpart F of this part, unless the individual cancelled the coverage.

§ 870.1008 Order of precedence and designation of beneficiary.

Insurance benefits are paid under the order of precedence set forth in 5 U.S.C. 8705(a) and under the provisions of subpart H of this part.

§ 870.1009 Responsibilities of the U.S. Department of State.

(a) The U.S. Department of State functions as the "employing office" for individuals insured under this subpart.

(b) The U.S. Department of State must determine the eligibility of individuals under Pub. L. 101-513 (104 Stat. 2035) for insurance under this subpart. This includes determining whether an individual is barred from insurance under chapter 87 of title 5 U.S.C. because of other life insurance as provided in section 599C of Pub. L. 101-513 (104 Stat. 2035).

Subpart K—Living Benefits**§ 870.1101 Eligibility for a Living Benefit.**

(a) Effective July 25, 1995, an insured individual who is certified by his/her doctor as terminally ill, as defined in § 870.101, may elect to receive a lump-sum payment of Basic insurance.

(b) Optional insurance is not available for payment as a Living Benefit.

(c)(1) The effective date of a Living Benefit election is the date on which the Living Benefit payment is cashed or deposited. Once an election becomes effective, it can't be revoked. No further election of Living Benefits can be made.

(2) If the insured individual dies before cashing or depositing the Living Benefit payment, the payment must be returned to OFEGLI.

(d) If the insured individual has assigned his/her insurance, he/she cannot elect a Living Benefit; nor can an assignee elect a Living Benefit on behalf of an insured individual.

(e) If an individual has elected a Living Benefit, he/she may assign his/her remaining insurance.

§ 870.1102 Amount of a Living Benefit.

(a)(1) An employee may elect to receive either:

(i) A full Living Benefit, which is all of his/her Basic insurance, or

(ii) A partial Living Benefit, which is a portion of his/her Basic insurance, in a multiple of \$1,000.

(2) An annuitant or compensation may only elect to receive a full Living Benefit.

(b) The amount of Basic insurance elected as a Living Benefit will be reduced by an actuarial amount representing the amount of interest lost to the Fund because of the early payment of benefits.

(c)(1) If an individual elects a full Living Benefit, the post-election BIA will be 0. If an employee elects a partial Living Benefit, the post-election BIA will be the BIA reduced in proportion to the amount of Basic insurance elected as a Living Benefit, as prescribed by Pub. L. 103-409 (108 Stat. 4231).

(2) The post-election BIA cannot change after the effective date of a Living Benefit election.

(d)(1) If an employee elects a full Living Benefit, Basic accidental death and dismemberment coverage terminates as of the effective date of the election.

(2) If an employee elects a partial Living Benefit, Basic accidental death and dismemberment coverage is reduced to equal the post-election BIA.

§ 870.1103 Election procedures.

(a) The insured individual must request information on Living Benefits and an application form directly from OFEGLI.

(b)(1) Only the insured individual can apply for a Living Benefit; no one can apply on his/her behalf.

(2) The insured individual must complete the first part of the application and have his/her physician complete the second part. The completed application must be submitted directly to OFEGLI.

(c)(1) OFEGLI reviews the application, obtains certification from the insured's employing office regarding the amount of insurance and the absence of an assignment, and determines whether the individual meets the requirements to elect a Living Benefit.

(2) If OFEGLI needs additional information, it will contact the insured or the insured's physician.

(3) Under certain circumstances, OFEGLI may require a medical examination before making a decision. In these cases, OFEGLI is financially responsible for the cost of the medical examination.

(d)(1) If the application is approved, OFEGLI sends the insured a check for

§ 870.1201

5 CFR Ch. I (1–1–07 Edition)

the Living Benefit payment and an explanation of benefits.

(i) Until the check has been cashed or deposited, the individual may change his/her mind about electing a Living Benefit; if this happens, the individual must mark the check “void” and return it to OFEGLI.

(ii) Once the insured individual has cashed or deposited the payment, the Living Benefit election becomes effective and cannot be revoked; OFEGLI then sends explanations of benefits to the insured’s employing office, so it can make the necessary changes in withholdings and deductions.

(2) If the application is not approved, OFEGLI will notify the insured individual and the employing office. The decision is not subject to administrative review; however, the individual can submit additional medical information or reapply at a later date if future circumstances warrant.
